

# CORNERSTONE UNIVERSITY'S CLINICAL PARTNERSHIPS

## CURRENT PARTNERSHIPS

Clinical experiences are vital to equipping you to be a competent and compassionate nurse. At Cornerstone, you will have access to a network of trusted health care partners that will transform your understanding, performance and professional nursing competencies. Partnerships include but are not limited to:

- + Corewell Health.
- + Living & Learning International.
- + Mel Trotter Ministries.
- + Metro Health - University of Michigan Health.
- + Pine Rest Christian Mental Health Services.
- + Sanford House.
- + Tandem 365.
- + Trinity Health.
- + Trinity Health Behavioral Health.

*Cornerstone's nursing program has been warmly welcomed into the West Michigan healthcare community. Our clinical partnerships allow students to apply classroom content in the clinical setting starting in the first semester of the nursing program.*
