CASE STUDY #1

- A student, Melissa, complains to the Associate Provost that one of her instructors is “hitting on her.” Melissa states that her instructor asked her to meet him at 9:00 at night on multiple occasions. Does the Associate Provost have an obligation to report? Assuming a report is made to the Title IX Coordinator, what are the institution’s obligations?
 - Title IX obligations?
 - VAWA obligations?

 - Other policy obligations?

Lathrop GPM, >

71

CASE STUDY #2

- Nick’s friend, David, is visiting for the weekend and staying in Nick’s dorm room. After a night of heavy drinking, Nick wakes up suspecting that they may have had sex. When Nick confronts David, David says that Nick was coming on to him and that at first David resisted but that Nick was quite persistent. After basketball practice that afternoon, Nick’s coach notices that something is wrong and asks him about it. Nick confides in his coach and expresses frustration with himself for having put himself in that position. Nick tells his coach that he doesn’t want anything done about this; he just wanted him to know why he was distracted. Does the coach have an obligation to report? Assuming a report is made to the Title IX Coordinator, what are the institution’s obligations?
 - Title IX obligations?
 - VAWA obligation?
 - Clery obligations?

CASE STUDY #3

▪ Anna, a sophomore at your institution who is on the volleyball team, alleges that during the last away volleyball game, Luke, a junior at your institution was making lewd, harassing comments to her during her game. Anna stated that she has seen Luke before but doesn't really know him. She stated that he often addressed her by the number on her jersey. Anna stated that Luke made several comments about how her butt looked in her spandex shorts. Anna stated that at one point during the game she was standing next to her team's bench and Luke came up behind her, put his lips right next to her ear and whispered, "That uniform looks good on you number 9 but I'd like to see what you look like without it." Anna stated that the comment and Luke's closeness to her made her really uncomfortable. She tells you that she's worried about him doing it again at the next game.

CASE STUDY #4

CASE STUDY #1

▪ Kelly comes into the health center on Saturday morning and tells Becky, a nurse at the health center, that she was at a frat party the night before and was talking with Ben, a student at another school. She liked Ben, so she accepted his invitation to go to another party with him. Instead, Ben took her to his apartment, where no one else was. Kelly became uncomfortable and said she was going to call a cab. Ben wouldn't let her leave and aggressively came on to her. Knowing Ben was much stronger than her, Kelly gave in and slept with him.

CASE STUDY #1

▪ What responsibilities does Becky, the nurse, have?

▪ Imagine you are the Title IX Coordinator and you get a call from Becky. She tells you that she talked to a student about an incident of sexual violence. She says she remembers something about how to handle these situations from her orientation, but she can't remember exactly what she is supposed to do. What should you tell Becky?

CASE STUDY #2

▪ Maria, a freshman, comes to talk to her RA, Amanda, with whom she has become good friends. Maria tells Amanda she just saw her ex-girlfriend, Andrea. Maria explains that Andrea has gone crazy since they broke up. Andrea constantly texts her about getting back together. Andrea's friends badger Maria about it during class. Maria's even found Andrea waiting for her at her door when she returns to her dorm.

CASE STUDY #2 

- Maria tells Amanda she just needs someone to talk to.
- What are Amanda’s responsibilities?
- What if Maria tells Amanda that she doesn’t want anyone to know about their conversation—especially Andrea?

Lathrop GPM,  174

INFORMAL RESOLUTION 

- May not offer informal resolution unless a formal complaint is filed
- May never require the parties to participate in an informal resolution process
- May not condition enrollment/continuing enrollment, employment/continuing employment, or enjoyment of any other right on waiver of the right to an investigation and adjudication of formal complaint
- May not offer or facilitate informal resolution to resolve allegations that an employee sexually harassed a student

Lathrop GPM,  175

INFORMAL RESOLUTION 

- Factors to consider when determining whether informal resolution is appropriate
 - Nature of alleged incident
 - Other allegations against same respondent
 - What sanctions would be necessary if the allegation is true
 - Whether complainant is willing to fully participate in a formal process
 - Whether institution could proceed with a formal process without complainant

Lathrop GPM,  176

INFORMAL RESOLUTION 

- Issues to consider when using informal resolution process
 - Is there an admission from the respondent?
 - Will this be a final resolution?
 - What information will be shared during the informal process?
 - Can the resolution be used in future discipline decisions?
 - What records will be maintained and could be shared?
 - What action is necessary to stop the harassment, prevent its recurrence, and address its effects?

Lathrop GPM,  177

CONSOLIDATION OF FORMAL COMPLAINTS 

- Title IX: An institution may consolidate formal complaints as to allegations of sexual harassment against more than one respondent, or by more than one complainant against one or more respondents, or by one party against the other party, where the *allegations of sexual harassment arise out of the same facts or circumstances*
- VAWA: No specific guidance

Lathrop GPM,  178

DISMISSAL OF FORMAL COMPLAINT 

- **Mandatory Dismissal under Title IX**
 - Must dismiss formal complaint if alleged conduct
 - even if proved, would not constitute sexual harassment
 - did not occur in the institution's education program or activity or
 - did not occur against a person in the United States
 - Such dismissal does not preclude action under another provision of institution's code of conduct
- **Discretionary Dismissal under Title IX**
 - May dismiss formal complaint if at any time during the investigation or hearing
 - complainant notifies the Title IX Coordinator in writing that the complainant would like to withdraw the formal complaint or any allegations, therein
 - respondent is no longer enrolled or employed by the recipient or
 - specific circumstances prevent the recipient from gathering sufficient evidence to reach a determination as to the formal complaint or allegations therein

Lathrop GPM,  179

DISMISSAL OF FORMAL COMPLAINT 

- **Notice of Dismissal:** Upon dismissal (mandatory or discretionary), institution must promptly send written notice of dismissal and reasons for the dismissal simultaneously to the parties

Lathrop GPM,  180

INVESTIGATION 

Lathrop GPM  181

INVESTIGATION 

- Conducted by someone who is not a decision-maker (Title IX)
- Burden of gathering evidence sufficient to reach a determination is on the institution
- Provide an equal opportunity for the parties to present witnesses and other inculpatory and exculpatory evidence
- Provide directly related evidence to parties and advisors to review and respond (Title IX)
- Provide investigation report containing relevant evidence to parties and advisors to review and respond (Title IX)
- Provide investigation report and attachments to decision-makers
 - Provide access to any information shared with decision-makers (VAWA)

Lathrop GPM  182

PROVIDE “DIRECTLY RELATED” EVIDENCE TO PARTIES * 

- *Prior to completion of investigation report, must provide equal opportunity to inspect and review any evidence obtained that is directly related to the allegations*
 - Includes evidence upon which the institution does not intend to rely in reaching a determination and inculpatory or exculpatory evidence whether obtained from a party or other source
 - Must send to party and party’s advisor in hard copy or electronic format
 - May use a file sharing platform that restricts downloading or copying
 - May prohibit photographing/copying
 - May require signing a non-disclosure agreement
 - May not limit time for review (besides the 10 days)
 - May not require supervision
 - Party must be given at least 10 days to submit a written response
- Investigator must consider that written response before completing investigation report
- Must make all that evidence available at any hearing

Lathrop GPM  *Title IX Only 183

PROVIDE "DIRECTLY RELATED" EVIDENCE TO PARTIES * 

- Types of evidence that must be provided to parties:
 - Documents collected from the parties
 - Text messages
 - Emails
 - Social media posts and messages
 - Photos and videos
 - Other evidence
 - Police reports
 - Security footage
 - Wifi access point records
 - Party and witness interviews

Lathrop GPM,  *Title IX Only 184

PROVIDE "DIRECTLY RELATED" EVIDENCE TO PARTIES * 

- Sexual history = include if directly related
 - Protections related to complainant's prior sexual history do not apply at this stage
 - Still analyze whether such evidence is "directly related to the allegations"
- Privileged information = only with waiver of privilege
- Treatment records = only with written consent

Lathrop GPM,  *Title IX Only 185

PROVIDE "DIRECTLY RELATED" EVIDENCE TO PARTIES * 

- Privileged information
 - Do not require, allow, rely upon, otherwise use questions or evidence that constitute or seek disclosure of, information protected under a legally recognized privilege, unless person holding such privilege has waived the privilege
- Treatment records
 - Institution cannot access, consider, disclose, or otherwise use a party's records that are made or maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional acting in the professional's or paraprofessional's capacity, or assisting in that capacity, and which are made and maintained in connection with the provision of treatment to the party, unless the school obtains that party's voluntary, written consent to do so.

Lathrop GPM,  *Title IX Only 186

PROVIDE “DIRECTLY RELATED” EVIDENCE TO PARTIES * 

- May not categorically prohibit certain types of evidence if directly related (and later if relevant):
 - Lie detector test results
 - Character evidence/witnesses
 - Expert reports/witnesses
 - Prior bad acts (e.g., prior policy violation by respondent)
 - Allegations of similar misconduct
- But can have policy for how much weight and credibility decision-makers will give these types of evidence

Lathrop GPM, > *Title IX Only 187

PROVIDE “DIRECTLY RELATED” EVIDENCE TO PARTIES * 

- May permit or require the investigator to redact information that is not directly related to the allegations (or that is otherwise barred from use under the final regulations)
 - Redactions are limited to information not directly related or that is otherwise specifically barred
 - May not redact other information, such as confidential, sensitive, or prejudicial information, if it is directly related to the allegations

Lathrop GPM, > *Title IX Only 188

PROVIDE “DIRECTLY RELATED” EVIDENCE TO PARTIES * 

- Maintain records of any information withheld and the rationale for doing so
- Investigator and Title IX Coordinator should both be involved in determination of what is directly related

Lathrop GPM, > *Title IX Only 189

PROVIDE "DIRECTLY RELATED" EVIDENCE TO PARTIES * 

- Ensuring privacy
 - May require parties and advisors to:
 - Use the evidence (and investigation report) only for purposes of the grievance process and
 - Require them not to further disseminate or disclose these materials
 - May use a non-disclosure agreement
 - May use digital encryption or other practices to address privacy concerns

Lathrop GPM, ▶ *Title IX Only 190

PROVIDE "DIRECTLY RELATED" EVIDENCE TO PARTIES * 

- Steps following parties' review
 - Review parties' responses
 - Consult with investigator to decide whether any additional action is needed
 - Investigator should consider parties' viewpoints about whether the evidence directly related to the allegations is relevant and therefore whether to include it in the investigation report
 - May provide a copy/electronic access of each party's written response to the other party, but that is not required

Lathrop GPM, ▶ *Title IX Only 191

INVESTIGATION REPORT 

- Must create investigative report that fairly summarizes **relevant** evidence
- Parties must be provided:
 - VAWA: information used in the decision-making process – access required
 - Title IX :
 - Investigation report – must send hard copy or electronic format to parties and advisors
 - May use a file sharing platform that restricts downloading or copying
 - May prohibit photographing/copying
 - May require signing a non-disclosure agreement
 - May not limit time for review
 - May not require supervision
 - Opportunity to submit written response

Lathrop GPM, ▶ 192

INVESTIGATION REPORT 

- Complainant’s sexual behavior or predisposition are not relevant *unless*:
 - Such questions and evidence are offered to prove someone other than respondent committed the alleged conduct or
 - The questions and evidence concern specific incidents of the complainant’s prior sexual behavior with respect to the respondent and are offered to prove consent
- Investigator should redact any information about the complainant’s sexual history from the investigation report

Lathrop GPM,  193

ADJUDICATION/HEARING 

Lathrop GPM,  194

LIVE HEARING 

- General requirements under Title IX
 - Must provide live hearing
 - Permit each party’s advisor to ask the other party and witnesses “all relevant questions and follow-up questions”
 - If party does not have advisor, institution must provide one for cross-examination
 - ~~If a party or witness does not submit to cross-examination at hearing, their statements cannot be considered by decision-maker(s)~~

Lathrop GPM,  195

HEARING—DECISION-MAKER(S)

- May have single decision-maker or a panel of decision-makers
- If a panel of decision-makers, may appoint one decision-maker to make relevancy determinations at the hearing
- May appoint Title IX Coordinator or another individual who is not a decision-maker to enforce procedural rules at the hearing
 - Decision-maker(s) must still determine relevancy issues

PREPARATION FOR HEARING

- Determine hearing format and arrange technology
 - May conduct with all parties physically present in the same location
 - At the request of either party, institution must provide for live hearing to occur with the parties located in separate rooms with technology enabling the decision-maker and parties to simultaneously see and hear the party or witness answering questions
 - Witness cannot demand to be in a separate room, unless that witness alleges they are also a victim of respondent (institution can permit witness to be in a separate room upon request)
 - May conduct virtually (for all parties, witnesses, and other participants), with technology enabling participants simultaneously to see and hear each other
 - Video is required; phone is insufficient

PREPARATION FOR HEARING

- Decision-maker(s) should review adjudication file
- Decision-maker(s) identify ultimate questions that will need to be decided
 - Consider questions or topics that may come up and any anticipated relevancy issues
- Decision-maker(s) determine whether any additional information is needed to make the decision
 - Identify witnesses to request if additional information is needed or if credibility is at issue
 - **CAUTION:** Don't base credibility on demeanor
- Parties identify additional witnesses
 - Request that these witnesses make themselves available for the hearing

ATTENDANCE AT HEARING 

- Parties may be accompanied only by their advisors and other persons for reasons “required by law”
 - Institution must keep confidential the complainant, respondent, and any witness except as may be permitted by FERPA, as required by law, or to carry out the grievance process
 - Limits institution’s ability to authorize the parties to be accompanied to the hearing by individuals other than their advisors
 - A person assisting a party with a disability, or a language interpreter, may attend because presence is required by law and/or necessary to conduct the hearing

Lathrop GPM, ▶ 199

HEARING: SCHOOL-APPOINTED ADVISORS 

- Can request that the parties inform school in advance whether they have an advisor
 - If party does not have an advisor at the hearing, still required to provide an advisor even if party stated that they would have one
 - May want to have an advisor for each party on standby so that delaying the hearing is not necessary
- School-appointed advisor
 - Role is limited to relaying a party’s questions
 - No particular skills, qualifications, or training is required
 - Does not need to be neutral or avoid conflicts of interest
 - If a party refuses to work with an assigned advisor – the party forfeits his or her right to cross-examination

Lathrop GPM, ▶ 200

HEARING: RELEVANCY DETERMINATIONS 

- Decision-maker may hear arguments regarding relevancy of a question on the spot or may tell parties to reserve arguments for appeal (incorrect relevancy determination could be an alleged procedural error on appeal)
- Must allow question if relevant, even if misleading or assumes facts not in evidence
- Can establish rule that duplicative questions are not relevant
- Exclude questions with caution

Lathrop GPM, ▶ 201

HEARING—CROSS-EXAMINATION

- Party or witness who does not appear at the hearing or refuses to answer questions at the hearing
 - Decision-maker(s) may still rely on previous statements from party/witness who is absent or refuses to answer one or more questions **NEW!**
 - Consider weight to be given to statements (put in policy)
 - Consider allowing party or advisor to share questions they would have asked a party or witness who is absent or will not submit to cross-examination
 - Decision-maker(s) cannot draw an inference about the determination regarding responsibility based solely on a party's or witness's absence from the live hearing or refusal to answer cross-examination or other questions

HEARING: CROSS-EXAMINATION

- Party or witness who does not appear at the hearing
 - Advisor may conduct cross-examination on behalf of party even if party is not present
 - If one party does something to wrongfully procure absence of a party or witness, that is likely retaliation and the school must remedy
 - School also cannot coerce unwilling participant
 - Be careful with any requirement that a student or employee cooperate with grievance process
 - Discipline for not attending hearing may constitute retaliation

HEARING: OTHER PROCEDURAL RULES

- May establish additional rules that apply equally to both parties
 - Cross-examination must be respectful, non-abusive, not intimidating
 - Limit evidence at hearing to evidence that was gathered or presented as part of the investigation (or otherwise prior to the hearing)
 - Whether investigator may be called as a witness
 - Process for making objections to the relevance of questions and evidence
 - Other procedures at the hearing
 - Opening statements by parties or advisors
 - Closing statements by parties or advisors
 - Reasonable time limitations on hearings

HEARING: OTHER PROCEDURAL RULES

- Some procedural rules are prohibited
 - Cannot prohibit a party from conferring with his or her advisor during the hearing
 - Likely can prohibit conferring when a question is pending
 - Could also discourage from conferring when a question is pending by warning that such conduct will be considered when weighing the party's credibility
 - Cannot prohibit character evidence, lie detector test results, evidence that is unduly prejudicial, or evidence of prior bad acts
 - Decision-maker may determine how much weight to give such evidence

COMPLAINT PROCEDURES

- Standard of evidence
 - "Preponderance of the evidence" or "clear and convincing" (not "beyond a reasonable doubt")
 - Use same standard of evidence for all formal complaints of sexual harassment
 - Burden is on the school to gather sufficient evidence to reach a fair, impartial determination
 - Presumption of non-responsibility that would need to be overcome
 - Decision-maker(s) must ultimately decide whether it was more likely than not that a policy violation has occurred (preponderance) or whether it is highly probable that a policy violation has occurred (clear and convincing)

SANCTIONS AND REMEDIES

SANCTIONS

- Consider who will decide the sanctions and how
 - Consider limited role of Title IX Coordinator
- Sanctions are designed to stop the harassment, prevent its recurrence, and remedy its effects
- Any information provided to individual(s) who determine sanctions must also be provided to the parties
- Institution's policy must include a list of *all* possible sanctions
- The list of sanctions must be specific, including the type and length of suspensions and any requirements that must be met for reinstatement

Lathrop GPM,  208

SANCTIONS

- Possible Sanctions
 - No contact order
 - Suspension or Expulsion
 - Transcript notations?
 - Disclosure to other institutions?

REMEDIES 

- Title IX goals:

 - Counseling services
 - Medical services
 - Academic support services/accommodations
 - Allowing course withdrawal without penalty
 - Reviewing disciplinary actions against complainant to determine if harassment contributed
 - Reviewing academic issues to determine if harassment contributed
 - Financial aid and/or immigration assistance

Lathrop GPM,  212

REMEDIES 

- VAWA and Title IX only require policy to describe range of remedies available
- Title IX Coordinator is responsible for effective implementation of any remedies
- Remedies must be designed to restore or preserve equal access to the institution's education program or activity
- May include the same individualized services as "supportive measures"
- Do not need to be "non-disciplinary" or "non-punitive" and do not need to avoid burdening the respondent
- Remedies for broader student population in some cases
 - Take proactive measures to prevent sexual harassment and violence, such as trainings
 - Develop effective written materials to educate students on policy and resources
 - Encourage students to report
 - Periodic "climate checks" and review of issues (e.g., better lighting?)

Lathrop GPM,  213

 - When such results become final
- For Title IX, your institution must provide concurrent written notice of—
 - The outcome of any appeal

Lathrop GPM,  221

CASE STUDY 

- After final exams, a group of students, including Matt and Jane, go out to celebrate. A great deal of drinking takes place.
- The next semester, Jane is having trouble in one of her classes. Her instructor asks what's bothering her, and she tells her instructor that one of her classmates raped her a few months ago.
- The institution requires all employees who are not confidential resources to report allegations of sexual misconduct.
- The instructor alerts the Title IX Coordinator.

Lathrop GPM,  222

CASE STUDY 

- Jane agrees to meet with the Title IX Coordinator and states that she has decided she wants to file a complaint against Matt. She claims that Matt walked her home after the finals celebration. When they got to her apartment, she invited him into her apartment for another drink as friends. In the apartment, he forced himself on her and raped her.
- An hour later, the local police call the Title IX Coordinator and state that they are conducting a criminal investigation. They ask your institution to suspend its investigation.

Lathrop GPM, > 223

CASE STUDY 

- After the police complete evidence gathering, the institution starts the investigation. Matt admits that he and Jane had sex, but claims it was consensual. The other students who saw Matt and Jane at the celebration stated that they had both been drinking and flirting.

Lathrop GPM, > 224

CASE STUDY 

- The decision-maker ultimately concludes that there's not enough evidence to demonstrate that it is more likely than not that Matt violated the policy.
- Jane appeals. She claims that after she received a notice of outcome another student approached her and asked what had happened. The student told Jane that Matt had done the same thing to her a year ago.

Lathrop GPM, > 225

CASE STUDY 

- Jane claims that friends of Matt are harassing her as a result of the complaint she raised. She claims they post mean Instagram messages and have called her a slut to common friends off campus.

 - Non-Title IX sexual harassment (optional)
 - Sexual assault
 - Domestic violence **NEW 2022!**
 - Dating violence
 - Stalking
 - Sexual exploitation (optional)
 - Retaliation
- Policy’s definition may set higher standard than state law—but confirm that it isn’t less stringent

Lathrop GPM, > 239

OTHER DEFINITIONS

- Consent
- Coercion
- Incapacitation

Lathrop GPM, > 240

OTHER DEFINITIONS

Recommended Consent Definition

Consent means words or overt actions by a person in advance clearly communicating a freely-given present agreement to participate in a particular sexual contact or activity. Words or overt actions clearly communicate consent when a reasonable person in the circumstances would believe those words or actions indicate a willingness to participate in a mutually agreed-upon sexual contact or activity. Although consent does not need to be verbal, verbal communication is the most reliable form of asking for and obtaining consent. It is the responsibility of the person initiating the specific sexual contact or activity to obtain consent for that contact or activity.

OTHER DEFINITIONS

Recommended Consent Definition (cont.)

The definition of consent is subject to the following:

- Consent can only be given if one is of legal age.
- Consent to one form of sexual activity cannot, by itself, constitute consent to other forms of sexual activity.
- Consent can be withdrawn at any time. When consent is withdrawn, the sexual activity for which consent was initially provided must stop.
- Consent is active, not passive. Silence or the absence of resistance or saying “no,” in and of themselves, cannot be interpreted as consent.
- Whether an individual actively and willingly participates in conduct may be a factor in determining whether there was consent.

OTHER DEFINITIONS

Recommended Consent Definition (cont.)

The definition of consent is subject to the following (cont.):

- Previous relationships or previous consent do not, by themselves, constitute consent to future sexual acts. In cases of prior relationships, the manner and nature of prior communications between the parties and the context of the relationship may be factors in determining whether there was consent.
- An existing sexual, romantic, or marital relationship does not imply consent.
- Prior sexual activity with other individuals does not imply consent.
- Consent cannot be procured, expressly or implicitly, by use of force, intimidation, threats, or **coercion**, as that term is defined below.
- An individual known to be—or who should be known to be—**incapacitated**, as that term is defined below, cannot consent to sexual contact or activity initiated by another individual.
- Use of alcohol or other drugs will never function to excuse behavior that violates this Policy.

OTHER DEFINITIONS

Recommended Incapacitation Definition

Incapacitation means the inability to understand the fact, nature, or extent of the sexual situation. Incapacitation may result from mental or physical disability, sleep, unconsciousness, involuntary physical restraint, or from the influence of drugs or alcohol. With respect to incapacitation due to the influence of drugs or alcohol, incapacitation requires more than being under the influence of drugs or alcohol; a person is not incapacitated just because they have been drinking or using drugs.

OTHER DEFINITIONS

Example Incapacitation Definition (cont.)

Where drugs and/or alcohol are involved, incapacitation is determined based on the facts and circumstances of the particular situation looking at whether the individual was able to understand the fact, nature, or extent of the sexual situation, whether the individual was able to communicate decisions regarding consent, non-consent, or the withdrawal of consent, and whether such condition was known or reasonably should have been known to the respondent or a reasonable, sober person in respondent's position. Use of drugs or alcohol by the respondent is not a defense against allegations of sexual misconduct.

OTHER DEFINITIONS

Recommended Coercion Definition

Coercion refers to conduct or intimidation that would compel an individual to do something against their will by (1) the use of physical force, (2) threats of severely damaging consequences, or (3) pressure that would cause a reasonable person to fear severely damaging consequences. Coercion is more than an effort to persuade or attract another person to engage in sexual activity. Coercive behavior differs from seductive behavior based on the degree and type of pressure someone used to get consent from another.

STRUCTURING THE COMPLAINT RESOLUTION PROCESS

 - Hybrid: Use the same procedures for all Title IX and VAWA cases (including live hearings) and a separate process for non-Title IX/non-VAWA cases
 - Separate processes: Create separate procedures for Title IX, VAWA, and non-Title IX/non-VAWA cases

SAME PROCEDURES FOR TITLE IX AND VAWA

 - Less risk of due process litigation
- Cons
 - Chilling effect of live hearing in all cases
 - Cost of additional procedural requirements, including hearings
 - Cannot explain hearing process as legally required in all cases
 - Potential FERPA issues with information sharing in non-Title IX cases
 - Less flexibility

SEPARATE PROCEDURES FOR TITLE IX AND VAWA

- Pros
 - Fewer hearings (less chilling effect; less administrative burden/cost)
 - Clear FERPA exceptions for each process
 - Can rely on legal requirements for each process (not requiring additional process beyond legal obligations)
- Cons

 - Complications when additional facts arise and in cases with multiple allegations
 - Confusing for parties
 - Risk of due process litigation seeking a hearing requirement
